PAGE 2

The commissioners who are first appointed shall be designated to serve for staggered terms, so that the terms of three commissioners shall expire after one year; three commissioners shall expire after two years; four commissioners shall expire after three years; and five commissioners shall expire after four years.

Each commissioner's initial term will be determined by drawing lots at the commission's first meeting. All appointments thereafter shall be for four-year terms, except that council members' neighborhood representative appointments shall not serve beyond the term of the council member making such appointment.

Members shall be eligible for reappointment; but in no event may any individual serve more than a total of eight continuous years.

EXEMPT FROM TCC 10A-134(c): Yes

FUNCTIONS:

- Advise the director of transportation on matters related to on-street and off-street parking, enhanced pedestrian, bicycle, and transit programs, special events, and capital improvement district projects within the city.
- Assist the department of transportation in developing parking enhancement projects for the city;
- Review on an ongoing basis existing city and neighborhood parking programs, signage programs, pedestrian, bicycle, and transit programs and make recommendations to the director of transportation for future programs and/or revisions to existing programs.
- * Monitor the progress of installation, construction, operation, replacement, maintenance, repair, and improvement of the property and improvements used for parking in the city.
- Annually review and recommend the proposed annual budget for the *ParkWise* program within the department of transportation.
- Recommend to the director of transportation revisions to the schedule of user charges for the use of parking facilities provided or furnished by the city, including the placement, times, and rates for on-street metered parking, as well as recommending changes in penalties, interest, collection costs, and other charges for delinquencies in payment of such charges.
